24<sup>th</sup> International Workshop, CS&P 2015, Rzeszow, Poland, Sept. 28-30, 2015. Proceedings, University of Rzeszow

This two-volume book contains the papers selected for presentation at the Concurrency, Specification and Programming (CS&P) Workshop. It was taking place from 28th to 30th September 2015 in Rzeszow, the biggest city in southeastern Poland. The CS&P 2015 was the twenty-fourth meeting after the break. It received 53 submissions that were carefully reviewed by Program Committee members or external reviewers. After a reviewing process, 49 papers were accepted for presentation at the workshop and publication in the CS&P 2015 proceedings. This book also contains three extended abstracts by the plenary keynote speakers.
